Sparta Soccer Travel Refund Policy

No refunds for tryout and or Registration fees. (no exceptions) Registration is 100% NON-Refundable.

Refunds or credits for training installments will only be given consideration with a properly executed NJYS player roster drop, completed by the parent including the physical travel to and from the League Commissioner if needed by the SSC to facilitate the release.

Schedule of SSC Travel waivers/credits/refunds:

- All player drops executed before December 1st may receive a waiver/credit/refund for Winter Training and Spring training fees.
- Any player drops executed after December 1st must pay the winter fees due and may receive a waiver/credit/refund for the Spring training fees.
- For any player drop executed after February 15th there are no waivers/credits/refunds and all associated travel fees are due in full. (no exceptions)

*Injured player provision

If a player is injured and a medical note is received that the participant cannot return to soccer for the remainder of the given full year Fall/Spring, the date of the doctor's note will be considered the drop date. (Note: a proper drop execution is still required but the date of the doctor's note will determine the waiver/credit/refund cutoff date)

*Board reserved right of refusal

The board reserves the right to deny all waiver/credit/refund requests if the board determines that the requestor is acting in bad faith and or their actions are deemed to be an intentional abuse of the SSC's goodwill intended in this policy.
