Divisions 3C, 5B & 5G Town League Reversible Jersey Order Form

SSC uses a reversible jersey for Divisions 3C, 5B & 5G.

If you did not order and pay for a jersey at registration – then please complete the form below and return with your check (to Sparta Soccer Club, PO Box 232, Sparta, NJ 07871) asap to ensure getting the correct size! We will also have some stock available for purchase at the field on the first game day

If you ordered at registration or at least a week or two before season start, your Child's coach will have his/ her jersey at the first practice or game.

Player's may wear any shorts or socks. Also if you already own a reversible from seasons past – the new one is so similar that it could be used with no problem. The reversible is similar to the one pictured – manufacturer changes style slightly – but colors remain the same. The advantage is it can be used from season to season so reduces cost, is durable and can even be passed on to siblings!

"SPARTA" will be printed on front of each color.
